Thanks Eric - where is the Duwamish modeling meeting being held? It seems like it would be good if I could find something close-by.

Valerie, we would like to have the June 6th meeting in Seattle because there is a Duwamish food web modeling discussion in Seattle the same day. A number of people on both sides will be attending the Duwamish food web modeling meeting in the morning. This should not affect our regular 10 - 5 meeting time - just the order that we discuss things.

Eric

June 6 meeting location	

Hi Eric -

I heard from Jim McKenna this morning about a possible change in the location for the meeting on June 6 - that your team would prefer to have this meeting in Seattle?

Please let me know as soon as you can so I can make arrangements for the meeting.

cheers  
valerie
